VITAMIN

01

Recently, Xiamen Kingdomway Group Company announced that its wholly owned subsidiary, Inner Mongolia Kingdomway Pharmaceutical Limited, and Hangzhou Aberdeen Life Technology Research Institute Co., Ltd. have jointly invested in establishing a new joint venture — Kingdomway (Inner Mongolia) Nutrition Food Co., Ltd. — located in Tuoketuo County Industrial Park, Hohhot, Inner Mongolia. The company has a registered capital of RMB 5 million and was established on August 1, 2025.

AMINO ACID

02

Threonine producer quotations remained stable at USD 1,120–1,140/MT. Overall demand was weak, with limited replenishment interest from end-users and only some just-in-time purchases. Prices are expected to remain weak and stable in the short term.

API

03

Colistin sulfate factory prices stayed firm, with mainstream offers at USD 13.96-14.33/KG. Low-priced supply was scarce, market price acceptance remained stable, short-term prices are expected to be steady. In addition, Zhejiang Jianfeng Pharmaceutical Co., Ltd.'s empagliflozin API and its subsidiary Anhui Biocompounds Pharmaceutical Co., Ltd.'s tedizolid phosphate API have both received marketing approval notifications from China's NMPA.

FOOD ADDITIVE

04

Creatine monohydrate prices rose due to raw material costs and market conditions. Factory offers have reached around USD 2.75-3/kg, with delivery slots scheduled into late August and September. Further price increases cannot be ruled out.
