VITAMIN

01

On November 10, Tianxin Pharmaceutical raised its folic acid (feed grade) quotation to USD 45/KG. Meanwhile, the delivery period for the main producers of feed-grade vitamin E 50% is 1 to 2 months. The current USD 7.5/KG level represents only the starting point of a potential upward trend, with growing market confidence

AMINO ACID

02

Tongliao Meihua Biological Sci-Tech Co., Ltd. has commissioned Inner Mongolia Huanya Environmental Consulting Co., Ltd. to conduct an environmental impact assessment for its new project — a 300,000-ton-per-year threonine production facility. The project includes fermentation, extraction, storage, utility, and wastewater treatment facilities, with an additional annual output of 75,000 tons of nucleotide residue.

API

03

On November 10, Apeloa Pharmaceutical Co., Ltd. announced that its wholly owned subsidiary, Zhejiang Apeloa Jiayuan Pharmaceutical Co., Ltd., received the CEP certificate for venlafaxine hydrochloride from the European Directorate for the Quality of Medicines (EDQM). This certification authorizes the product's export as an API to the EU and other CEP-recognizing markets.

FOOD ADDITIVE

04

Shandong Bailong Chuangyuan Bio-Tech Co., Ltd. released its Q3 2025 financial report, recording revenue of approximately USD 136.12 million, up 18.1% year-on-year, and net profit attributable to shareholders of around USD 37.22 million, representing a 44.93% increase.
