

Vega Infos introductions

Here Vega would like to share with you some tools on Vega infos, hope they can help to your purchasing teams or management teams to refer market infos/prices trends from China to do decisions.

Vega Daily: update every working day

Vega weekly report: update every Monday

Vega reports: update every end of Month

1. FOLLOW Vega main page on "WECHAT" can read Vega Daily, and Vega weekly report

If you had Wechat already, can add vega's sales as friend, ask them to share you Vega main page on Wechat, can FOLLOW the vega page: Click the green news it's Vega Daily; Click Blue news it's Vega weekly report. The news/reports can automatically translate into your local languages or other any languages you needed on wechat.

On Vega weekly report: vitamins, amino acids, APIs, Food additives, Minerals, you can refer FOB China Usd prices, and price trends (on CNY prices are China domestic prices, VAT included- Tax refunds not yet deducted, no need refer on it).

If you not yet use wechat, can ask vega sales how to download and use it.

Or you can add my Wechat, i will show you how to read the vega reports on Wechat:

Bellowing is my wechat or search to add my wechat: 008613757170539

扫二维码，添加我为朋友。

2. Onto Vegapharma.com can find English version of Vega Daily, Vega Reports, Vitamin China (Vega weekly report).
